

The **Centre for Accident Research and Road Safety – Queensland**,
the **Amy Gillett Foundation** and
the **Injury Risk Management Research Centre**
are pleased to invite you to attend the:

CYCLIST SAFETY WORKSHOP

Friday 13 November 8:30 am to 1:30 pm (TBC)
at the Sydney Convention and Exhibition Centre, Darling Harbour

in conjunction with the 2009 Australasian Road Safety Research, Policing and Education Conference

Outline of agenda:

The workshop will commence with brief presentations and then split into working groups that will address questions of safety for cyclists from different perspectives e.g.:

- The rider and their equipment
- The riding environment

Key points from the workshops will be synthesised into a research and programme agenda for cycling safety for presentation to significant government and other organisations.

Outcomes:

- Improving cyclist safety
- Identifying research needs in bicycle safety

Who should attend:

This workshop aims to be of interest to all those interested in improving bicycle safety including: Researchers, road safety and transport practitioners, cycling groups.

REGISTRATION

The registration fee is \$165 (incl. GST) if attending the Workshop only and \$110 (incl. GST) for participants who are registered for the Conference. Details of how to register are available by following this link: <http://www.roadsafetyconference2009.com.au/registration.htm>
Morning tea and lunch will be provided. Please provide details of any dietary requirements.
